**Love is the solvent for the hardest of hearts.**

**Let Love be your breath. Let the Sun of Love help the lotus of your heart to blossom.**

**Love can make you gather the affection of all mankind.**

**Love will not tolerate any selfish aim or approach.**

**Love is God, live in Love.**

**Expand your heart so that it can encompass all. Do not narrow it down into an instrument of restricted Love.**

**Man is Love embodied. He thirsts for Love and he finds real joy in loving and receiving selfless Love. Love all as embodiments of the same Divine Principle.**

**The Bliss that you give, the Love that you share, these alone will be your lasting possessions.**

**Love. Love alone can bind you to others and to God, who is the embodiment of Love. Love knows no fear, no untruth, no anxiety, no grief.**

**Love can transform man into a Divine Being, it helps him to manifest the Divine which is his core.**

**Love can tame even the most ferocious of beasts.**

**Spread Love; be full of Love.**

**Soak every moment in Love, that is the way to God.**

**Love with no expectation of return. Love for the sake of Love.**

**As a lump of sugar sweetens every drop of water in the cup, the eye of love makes every person in the world friendly and attractive.**

**Love alone can win the Grace of God**

**Be born in Love, die in Love, live in Love, that is to say emerge from God and merge in God. Be the wave in the Ocean of Love.**
